Overview

Maker Goal

As a right of passage, we will be making a Meeple and adding it to the Maker Space Meeple board. Meeple is a personification of self, it comes from board game terminology.

Workspace Staff Goal

Show people that it is easy to get into making.

Required Materials

- 1/4in plywood, 4inX4in per (participant + 1 for demo)
- Tables Cloths
- Acrylic paint
- Water cups
- Paint trays
- Hot glue gun
- Spare glue
- Magnates.

Prep Steps

Cut Out Meaples

- See laser instructions for using the lazor.
- Meeple file

Set out Paint Materials

- Tables Cloths
- Acrylic paint
- Water cups
- Paint trays

Set up a Hot Glue Station.

- Hot glue gun
- Spare glue
- Magnates.

Student Work Phase.

DEMO Cutting out a Meeple (Optional)

If you are going to do this make sure to prep for it **Before** people show up.

DEMO Painting a Meeple.

Add: - Pants - Shirt - Face

DEMO Attaching a Magnates Meeple.

- 1) Turn on Hot glue gun
- 2) Place a Dime sized glob of hot glue to the center back of the meeple.

3) Push Magnates into the meeple.

- 4) Wait for it to cool
- 5) Stick it on the wall.

Work Time

Set the students loose. Assist anyone having trouble.
